A nick name for the school is ECC.

ECC: ECC is a great school it has great classrooms and the best teachers.

ECC has been around for many years.

ECC: The Early Childhood Center (ECC) has lots of great teachers and goes through 2 years - Kindergarten.

I used to go there as a little kid and I loved it. I had Ms. Cathy, Ms. Allison, Ms. Laura/Ms. Maria, Ms. Nichol. I had a great time at ECC when I had to go to another school I was so sad but knowing that it will always be in my heart made me feel better.
